SPEAKER:

We were fortunate to have police officer **Oliver M. Janney** from the 2nd District Police Department in Bethesda speak to us. Did you know that the number #1 most common crime in Montgomery County is theft from a vehicle. It is important to not leave any valuables in sight and don't leave your keys in the car! Other topics touched on were the seatbelt law (must have seatbelts on) – you could get an e- ticket for \$83 if you don't buckle up, the new cell phone law (hands must be on the steering wheel at all times), and how to get out of a ticket if stopped. We hope to see officer Janney return again. He is always welcome to our club.

Happy Dollars were flying too fast to be noted. We did honor **Gary Boswell, Chuck Carlson, Patsy Jackson** and **Jim Leder** for their August birthdays.

Tired of the \$45 parking ticket? Our meetings go from 12 noon to 1:15 p.m. Pay-by-Cell phone technology is available in Bethesda.

MOBILE  **NOW!**

Pay-by-cell phone parking technology is available in approximately 5,200 parking meters in Bethesda. Motorists must create an account, and then they can pay by calling (301) 830-7074, or by using the MobileNOW! app to enter the location number, or scan the QR code on the parking meter, where available. The code identifies the space number and eliminates the risk of human error. Download the MobileNOW! app free from [iTunes](#), [Android Market](#), and soon, Blackberry App World, or [app.mobile-now.com](#). Participating meters are labeled with cell phone parking instructions. Read and heed meter instructions to avoid fines.
