

## Kee-Notes

### Newsletter of the Kiwanis Club of Bethesda, Maryland Serving the Community Since 1945 October 9 and 23, 2014

President **Jeanne Smith** opened the meetings with 10 attending on October 9 and 13 attending on October 23. The Kee-Notes are being combined since the editor has been dealing with the healing of a broken arm and writing has been considerably curtailed. We were pleased to have **Reverend John Walker** present at both meetings delivering the prayer. **John Sampelle** from the Kiwanis Club of Ann Arbor Club visited us again and we were all happy that he has been able to attend our club meetings while his wife is working at NIH. John you are always welcome!

Immediate past Lt. Gov. **Kelly Boswell** who served as our Lt. Governor for the past two years has announced her intention to run for Governor-Elect for 2015-2016. She asked for the endorsement of our club. You go Kelly!!

President **Jeanne Smith** with Lt. Gov.  
**Emily Ferren**

October starts a new Administrative  
Year for Our Club

Congratulations to all officers and  
directors.

#### **DID YOU KNOW?**

At a recent board meeting, your Board of Directors passed to have dues be only \$100 (instead of \$175) for spouses of current members and corporate co-workers. We need new members and leadership. We need young blood to keep the club going and we need members to step up and take a leadership role.

**Kim Ryan** was inducted as our new member by President **Jeanne Smith** and Lt. Gov. **Emily Ferren**. Kim is the spouse of Director **Sean Ryan** and the mother of two children who are active playing ball at the Miracle League field on Saturday mornings, weather permitting.
